## Call for applications: Briese Prize for Marine Research 2024

The shipping company Briese Schiffahrt GmbH & Co. KG (Leer), together with the Leibniz Institute for Baltic Sea Research Warnemünde (IOW) has been awarding the "BRIESE Prize for Marine Research" every year since 2010. The prize rewards outstanding doctoral theses in marine research, the underlying data for which was obtained during trips or expedition(s) on a research vessel. The award is endowed with prize money of € 5,000.

Applications are open to young scientists with a doctorate in all disciplines of marine research, including marine technology and climate research related to marine research, who have completed an outstanding doctorate at a German university no more than two years ago (the date of the oral examination is decisive). Applications are made directly by the applicant.

### Selection criteria

- Scientific quality of the doctorate in the field of marine research,
- Convincing presentation of the necessity of using research vessels to collect data at sea,
- Quality and number of publications in peer-reviewed journals,
- Presentation of the potential for exploitation/implementation.

### Application documents and selection procedure

- Short curriculum vitae in tabular form,
- List of publications,
- Diploma or Master's degree and doctoral certificate,
- Summary of the dissertation (max. two pages), in which the most important results of the dissertation are presented and the connection with the use of research vessels is described,
- Expert opinions: two written reports as part of the dissertation procedure<sup>1</sup>,
- Doctoral thesis.

Please send all application documents in the order formulated above, summarised in one PDF document, electronically to [briese-preis@io-warnemuende.de](mailto:briese-preis@io-warnemuende.de) (Reference: Briese Prize 2024). The dissertation can be sent separately as a PDF. The documents, in particular the doctoral thesis, will be treated confidentially. An overview of the prize winners can be found here: <https://www.io-warnemuende.de/briese-preis-fuer-meeresforschung.html>

The application deadline is October 31<sup>st</sup> 2024 and the winners will be selected by a scientific jury<sup>2</sup>. The award ceremony will take place in April 2025.
